The Honorable Kay Granger, Chairwoman
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Centro del Pueblo Restoration Project in fiscal year 2024. The entity to receive funding for this project is Centro del Pueblo, located at 474 Valencia Street, San Francisco, CA 94103. The funding would be used to conduct critically needed repairs to the multi-agency, non-profit building's only elevator, roof and leaking walls, and to bring the building into compliance with safety and accessibility standards. The project is an appropriate use of taxpayer funds because Centro del Pueblo is a centralized community resource center through which eight local non-profit organizations provide essential social, educational, and legal services to a culturally diverse target population of low-income residents.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

NANCY PELOSI
